

TEXAS HUMANE *Heroes*

ANNUAL REPORT 2019

ee Texas Humane Heroes creates a nurturing environment for all rescue animals. Thanks to the team at Texas Humane Heroes, we found our sweet puppy! She has brought so much joy to our family; life is better with a pet!

— JILL, GEORGETOWN

VISION

To be the most comprehensive no-kill pet adoption center in Texas. We will promote responsible pet ownership by offering low cost adoptions, veterinary services, educational programs, training for people and their pets, and public advocacy.

MISSION

To save the lives of adoptable dogs and cats from shelters throughout Texas that are often forced to euthanize for space, decrease overpopulation of animals through low-cost veterinary services, and enhance the lives of pets through educational resources for our community.

Annual Numbers

3,113 Adoptions

\$200 Cost to Care for a Dog

Average Stay **29 days**

143,000,000 Dog Kisses

57 Shelter Partners

Number of Spay/Neuters **3,276** Public
2,075 Program

Number of Vaccines **4,590** Public
13,953 Program

Peaches with the Ritzheimer Family

Adoption Highlight

Killeen reached out to TXHH about a pregnant dog found on the side of the road. She had many scars and her skin was inflamed and infected. After seeing a photo of Peaches, we knew we had to save her. Hours later, Peaches arrived at Texas Humane Heroes, received medical treatment, and went into foster care.

Days later, her eight puppies were born happy and healthy. Peaches showed us how wonderful of a mom she was to Pineapple, Apple, Blueberry, Banana, Kiwi, Plantain, Raspberry, and Coconut — her little fruit basket of pups.

Over two months later, Peaches and her pups found their forever homes. Peaches is spoiled, loved, and living her best life with her perfect family.

Facility Updates

- New Kennels
- Updated Clinics
- Additional Play Yards
- New Paved Road
- Updated Website

We Heal Animals with... Heartworm, Ringworm, Parvo, Injuries, Wounds, and Behavioral Issues.

Parvo Puppies

In June, we received a litter of seven puppies that were parvo positive. These pups, named after each day of the week, started their treatment right away. Although one of the puppies didn't make it, we're happy to share that six of them fully recovered and were adopted. With the help of generous donations, we were able to cover the unexpected cost of their treatment and care.

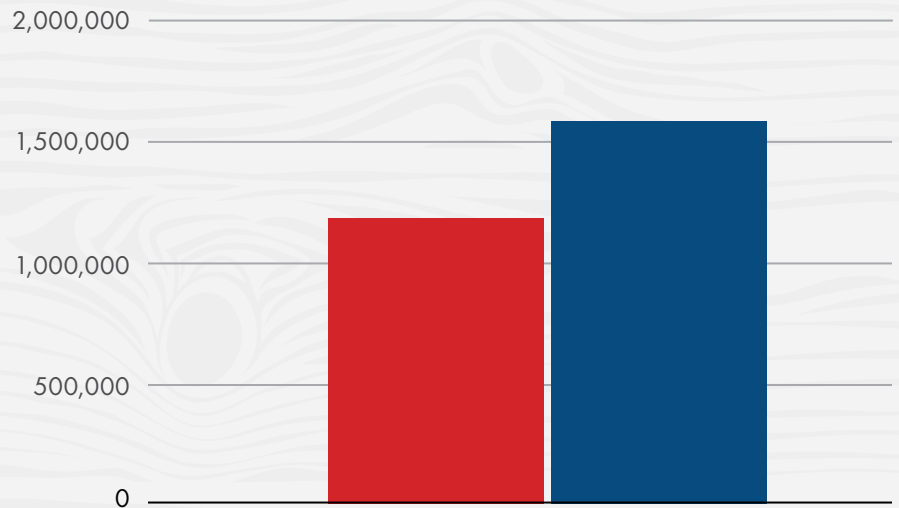

Tuesday

By the Numbers

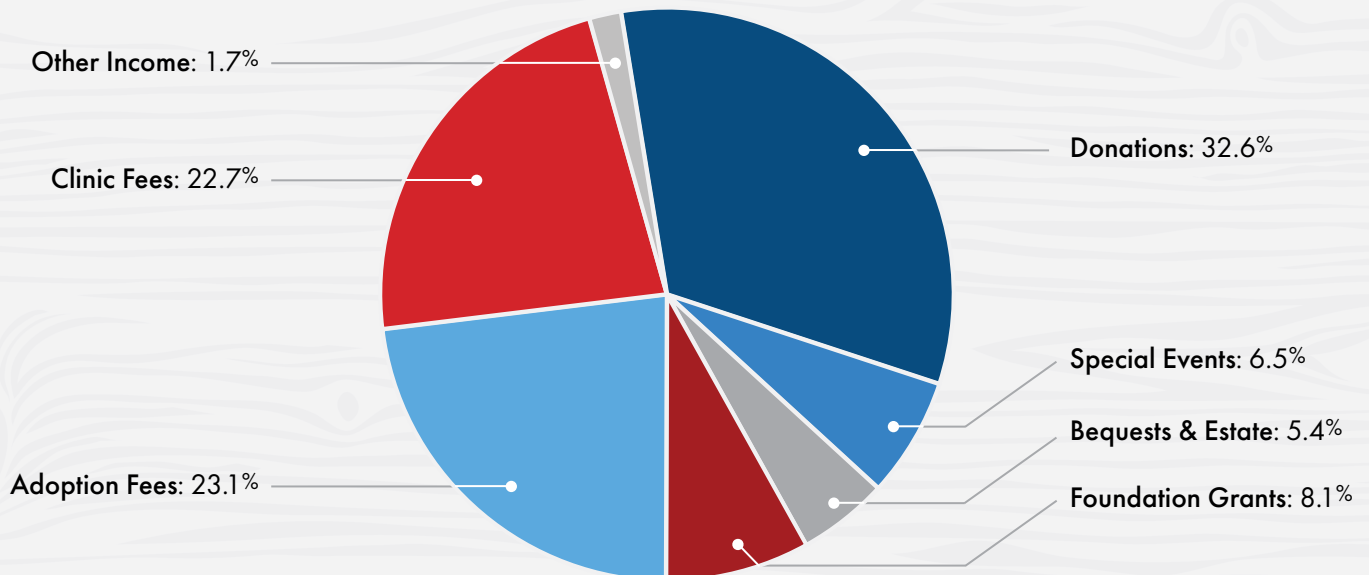

- \$1.6M annual income
- \$1.6M annual operating expenses
- \$760k income from earned revenue
- Earned revenue includes animal adoptions & clinic fees
- \$840k income from private support

Emergency Rescue Saves 10 Sick Dogs

Texas Humane Heroes stepped in when ten dogs had a 72 hour deadline before they were to be euthanized. All ten dogs were covered in mange so vicious, most didn't have any hair. Texas Humane Heroes, sprang into action in preparation to rescue these dogs.

"We knew that rescuing these dogs was going to involve hard work, but we had to save them and give them a chance at a better life," says President & CEO, Jeff Struchtemeyer.

Four of the ten dogs were positive for heartworms and underwent extensive healing in our clinic and in foster care. Today, they are healthy, friendly, and growing more fur each day. Due to extensive community support, TXHH was able to save and heal these loving dogs. They are affectionate and show a sense of gratitude for their second chance at life. They are available for adoption and looking for their forever homes.

“Because of the generosity and continued support of friends, community members and donors like you, Texas Humane Heroes has seen incredible growth...You are proof that you don’t need a cape to be a hero, just love.”

Jeff Struchtemeyer, President & CEO

Jessica Scanlon, Board Chair

Coming Up This Year

- Surpass 3,500 adoption goal
- Add additional kennels in Leander and Killeen to increase dog and cat intake facilities
