TEXAS HUMANE HEROES hosts the 11th annual Home for the Holidays foster program!

Leander and Killeen, TX -- Texas Humane Heroes (TXHH) Adoption Centers hosts the 11th Annual Home for the Holidays foster program! The goal of this program is to find temporary foster homes for all TXHH dogs from December 23rd-28th. This program gives dogs a break from the chaotic shelter environment by providing a warm home during the holiday season, decreasing their stress and leading to higher chances of adoption.

"This foster program is not only beneficial for our staff, who are able to spend more holiday time with their families, but it is a vital break for our dogs! We currently have over 90 dogs at our Adoption Centers who would truly benefit from time away from the shelter by spending the holiday in a home environment." stated Laura Acton, TXHH Chief Operating Officer, "It's also a great opportunity for people who are interested in adopting, but want to see if pet ownership is a good fit for them. In the past, we have seen many of the dogs adopted through this program and we're hoping to see the same outcome again. We are truly grateful for all our Home for the Holiday fosters!"

Home for the Holidays is a **FREE** foster program and TXHH provides all the items needed for the dogs' temporary stay with the foster. The foster items included are: dog toys, blankets, food, plush toys, leashes, collar, and dog tags. Fosters will pick up the dog on December 23rd between 12 pm - 4:30 pm, spend four nights in the foster home, and return the dog on December 28th from 12 pm - 4 pm. They also have the option to adopt their foster holiday dog!
